

# For the Change Makers

IB3820 Project Management

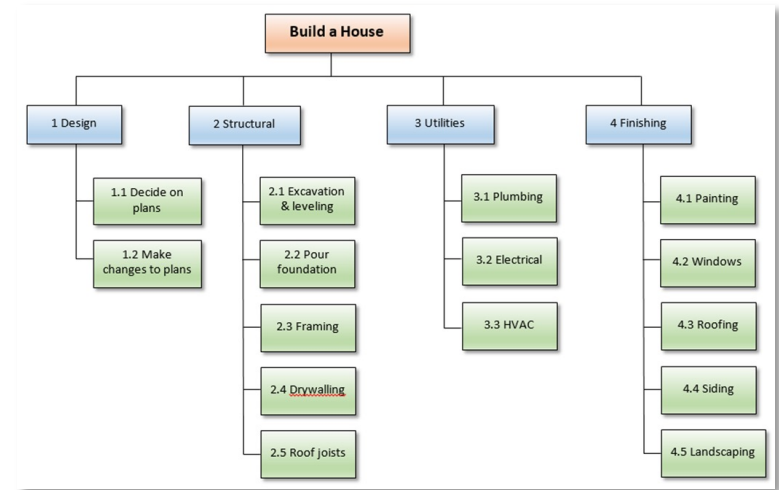

## Seminar 6: WBS, AoN & CPA

# Recap

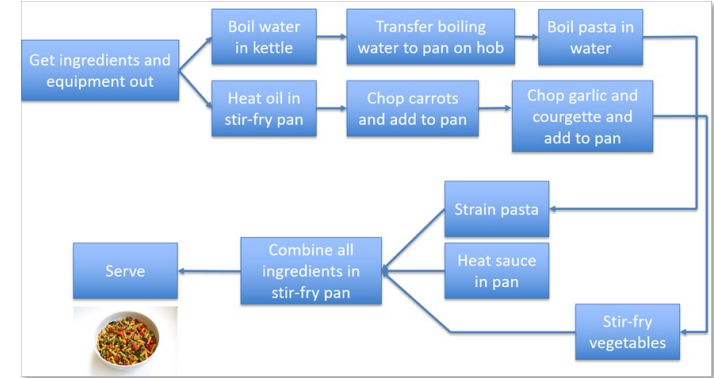

# Task 1: Work Breakdown Structure

- Using the WBS worksheet attachment in myWBS, organise the digital sticky notes into a work breakdown structure.

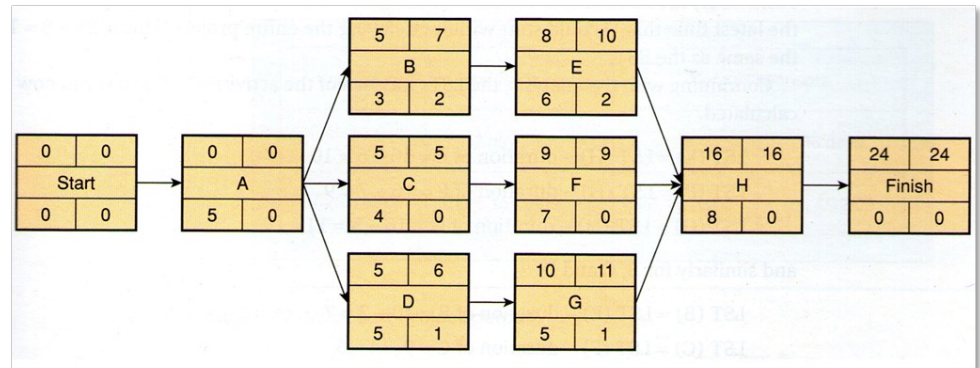

## Task 2: Activity-on-Node Diagram

- Using the AoN and CPA Worksheet attachment in myWBS, re-organise your sticky notes to create an activity-on-node diagram.
- Remember to include double- or triple-streaming of activity to increase efficiency.

## Task 3: Critical Path Analysis

- Transform your activity-on-node diagram into a critical path analysis by adding and calculating timings.
- When you have finished, upload your CPA to the MS Form.
